

How can you streamline finding clinical accessories and parts?

SAVE TIME

MyServices is your online shopping resource for GE compatible accessories and parts

Time is valuable when it comes to patient care. Sourcing accessories and parts from multiple vendors is costly and time-consuming. MyServices, from GE Healthcare, makes ordering faster and easier than ever before, so you can focus on what matters most... patient care.

With MyServices ecommerce you no longer need to call to place an order, check inventory levels or on the status of your order. More than 4,600 accessories and parts are available in our live database which includes product specifications, descriptions, images and equipment compatibility.
