

1. CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: Telepaque® Tablets
Applications: Radiopaque agent
Emergency Number: In an emergency, call 1-800-654-0118
Manufacturer: Amersham Health
101 Carnegie Center
Princeton, NJ 08540-9998
609-514-6000 or 1-800-654-0118

2. COMPOSITION/INFORMATION ON INGREDIENTS

<u>Ingredient Name</u>	<u>CAS No.</u>	<u>Percent by Weight</u>
------------------------	----------------	--------------------------

No data given.

3. HAZARDS IDENTIFICATION

***** **EMERGENCY OVERVIEW** *****

An aqueous solution. Presents little or no hazard if spilled or in a fire.

WARNING: This is a pharmaceutical material available only with a prescription - use only as directed.

Potential Health Effects:

Ingestion: Overdosage may cause nausea, diarrhea and vomiting.

4. FIRST AID MEASURES

Eyes: In case of eye contact, flush eyes with water for at least 15 minutes. Seek medical attention if irritation develops.

Skin: Wash thoroughly with soap and water.

Ingestion: In case of overdose, seek immediate medical attention or contact the Poison Control Center for further information or instructions.

Inhalation: Not an expected source of entry.

5. FIRE FIGHTING MEASURES

Flammable Properties: FLASH POINT: Not Applicable
LOWER EXPLOSIVE LIMIT (%): Not Applicable
UPPER EXPLOSIVE LIMIT (%): Not Applicable

Extinguishing Media: Use any extinguishing agent which is suitable for the surrounding fire.

Fire Fighting Procedures: Use normal fire fighting gear.

Unusual Fire and Explosion Hazards: Combustible solid. May emit irritating and toxic iodine vapors if exposed to fire or heat > 300^NF.

6. ACCIDENTAL RELEASE MEASURES

Spills: Carefully sweep or vacuum up into a properly labeled waste container for disposal.

7. HANDLING AND STORAGE

Handling and Storage Precautions: Keep this and all drugs out of the reach of children.

Work/Hygienic Practices: Use good personal hygiene - wash hands and exposed skin thoroughly with soap and water after use.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Controls: Normal ventilation.

Eye/Face Protection: None normally required.

Skin Protection: None normally required.

Respiratory Protection: None normally required.

9. PHYSICAL AND CHEMICAL PROPERTIES

Solubility in Water: Soluble

Specific Gravity: Not determined

10. STABILITY AND REACTIVITY

Stability: Stable

Conditions to Avoid: Exposure to flame or temperature above 300° F

Materials to Avoid: None known

**Hazardous
Decomposition
Products:** Iodine vapor

**Hazardous
Polymerization:** Will not occur

11. TOXICOLOGICAL INFORMATION

Acute Oral Effects:

Gastrointestinal: Loose stools, diarrhea, nausea, vomiting and abdominal pain.

Allergic: Dermal urticaria or erthemata have occurred. Therefore, other allergic manifestations such as rigors, broncho or laryngospastic attacks with serious, cardiopulmonary complications resulting in fatality must be considered a possibility.
